

Year 9

Term	Autumn 1								Autumn 2							Spring 1						Spring 2						Summer 1					Summer 2									
Date	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 1	Week 2	Week 3	Week 4	Week 5	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7								
Art	Introduction to clay. Surrealist art Introduction to design concepts								Art. Application of surrealist concepts							Introduction of Pop Art Development of colour theory and paint techniques.						Introduction of Pop Art Impact of mass media on art. Graphic techniques.						Development of Art skills, painting and oil pastel. Linking to Pop Art.					Realising artistic intentions Producing a personal response.									
Computer Science	Cyber Security								Cyber Security							Animation						Animation						Python Programming					Data Representation									
Dance	Movement Components (Group Performance Piece)								Movement Components (Group Performance Piece)							Expressive Skills (The Greatest Dancer 1)						Choreographic Devices (TGD2)						Physical Skills (Dance Moms)					Performance Skills (Dance Moms)									
Drama	Scripted monologues/duologues								Scripted monologues/duologues							Devising/Practitioners						Devising/Practitioners						Practical Exploration of a Text: Sepia & Song					Practical Exploration of a Text: Sepia & Song									
English	Poetry: Relationships								Drama: The Crucible							Non Fiction: Relationships						Prose: A Scandal in Bohemia						Prose: A Scandal in Bohemia					Shakespeare: King Lear									
Geography	Climate Change								Life in an NEE							Global Health						Global Health		Fieldwork Investigation				Global Biomes					Global Biomes									
History	World War One								Suffrage and the Russian Revolution							WW2 and the Cold War						The Holocaust						US and British Civil Rights					The War on Terror									
Maths	9.01 Decimal manipulation	9.02 Estimation and limits of accuracy	9.03 Related calculations	9.04 HCF and LCM of large numbers	9.05 Fraction calculations				9.06 Algebraic manipulation	9.07 Index Laws	9.08 Expanding and Factorising	9.09 Expressions and substitution					9.10 Percentages with calculators		9.11 Proportion		9.12 Probability		9.13 Linear Equations	9.14 Linear Inequalities	9.15 Sequences		9.16 Pythagoras			9.18 Interior and exterior angles	9.19 Parallel Lines	9.20 Basic Vectors	9.21 Basic transformations			9.22 Plans and Elevations		9.17 Circles		9.23 Surface Area		
MFL	Unit 9 Family and Relationships								Unit 9 Free Time							Unit 10 Food						Unit 10 Festivals and Celebrations						Unit 11 Exploring a French/Spanish speaking area					Unit 12 The World Around Us									
Music	9.1: Musicals								9.2: Origins of Black American Music - Blues and Jazz							9.3: Film Music						9.3: Film Music						9.4: Minimalism and Club Dance					9.4: Minimalism and Club Dance									
Physical Education	Advanced skills in game settings. Undertake leadership and officiating roles. Demonstrate the components of fitness to meet demands of activity.								Advanced skills in game settings. Undertake leadership and officiating roles. Demonstrate the components of fitness to meet demands of activity.							Advanced decision making in game and creative sequences. Adapting activities and leading differing abilities. Safe and effective training to improve performance.						Advanced decision making in game and creative sequences. Adapting activities and leading differing abilities. Safe and effective training to improve performance.						Evaluating and analysing other performance. Being a role model and resilience. Importance of healthy, active lifestyle for physical, social and mental well-being.					Evaluating and analysing other performance. Being a role model and resilience. Importance of healthy, active lifestyle for physical, social and mental well-being.									
PSHE	Consent		Relationship expectations			Abuse and harassment			Relationships and sexual health	Maintaining sexual health (STIs)	Contraception and unplanned pregnancy						Rights in the community	Relationship boundaries - friendships	Fertility, adoption and abortion.				Managing the transition into KS4	Managing mental health concerns	Aspirations for the future.			Stereotypes, prejudice and discrimination		Promoting diversity and equality			Friendship challenges		Drugs and alcohol		Gangs and crime					
Religious Studies	Life and Death								Life and Death							Equality						Equality						Study of Buddhism					Study of Buddhism									
Science	Forces in action				Reactivity				Reactivity	Energetics						ROA revision	Sound		Biological systems	Biological systems		GCSE C1				GCSE C1		ROA revision			GCSE B1		GCSE P1									
Technologies: Food	Level 3 Food Skills Temperature Control Function of ingredients in baking, and macronutrients. (Technology rotation)								Level 3 Food Skills Temperature Control Function of ingredients in baking, and macronutrients. (Technology rotation)							Level 3 Food Skills Temperature Control Function of ingredients in baking, and macronutrients. (Technology rotation)						Level 3 Food Skills Temperature Control Function of ingredients in baking, and macronutrients. (Technology rotation)						Level 3 Food Skills Temperature Control Function of ingredients in baking, and macronutrients. (Technology rotation)					Level 3 Food Skills Temperature Control Function of ingredients in baking, and macronutrients. (Technology rotation)									
Technologies: Product Design	Mood Lighting Learning workshop and CAD/CAM skills to create a mood light (Technology Rotation)								Mood Lighting Learning workshop and CAD/CAM skills to create a mood light (Technology Rotation)							Mood Lighting Learning workshop and CAD/CAM skills to create a mood light (Technology Rotation)						Mood Lighting Learning workshop and CAD/CAM skills to create a mood light (Technology Rotation)						Mood Lighting Learning workshop and CAD/CAM skills to create a mood light (Technology Rotation)					Mood Lighting Learning workshop and CAD/CAM skills to create a mood light (Technology Rotation)									
Technologies: Textiles	Introduction to printing techniques. Development of hand embroidery skills to embellish a print. (Technology rotation)								Introduction to printing techniques. Development of hand embroidery skills to embellish a print. (Technology rotation)							Introduction to printing techniques. Development of hand embroidery skills to embellish a print. (Technology rotation)						Introduction to printing techniques. Development of hand embroidery skills to embellish a print. (Technology rotation)						Introduction to printing techniques. Development of hand embroidery skills to embellish a print. (Technology rotation)					Introduction to printing techniques. Development of hand embroidery skills to embellish a print. (Technology rotation)
